

Vision for CAP reform - reduce the role of the EU

Obviously anyone would be *annoyed* by the ludicrous wine lake thing (below). So duly inspired, I decided to set out a vision for Common Agricultural Policy reform – based on devolution, sustainable development and sound economics.

Rather than do it here, I thought it would be interesting to post it on David Miliband's blog, as he was discussing CAP... [So here it is](#). Wonder what he made of it?
